## Principal's Pen

Two weeks of school left! This has to be on the minds of our students and faculty as we enter this week. I hope you survived our snow event and we do watch the weather carefully when we have these events as well as monitoring what Henry County announces. Since we do not run school busses, and you parents transport students, if you ever have reservations about travel, we are understanding if you decide to pick up your child early when the weather is bad.

Since we had rain on Friday here, I am glad that Saturday morning brought us some decorative snow so our students could enjoy a few hours of beauty before it melted.

Our Frosty Shoppe this week will be a fun opportunity for many of our students to select some fun presents while supporting our senior class in their ongoing quest to raise money for their senior trip.

Don't miss our Christmas program this Friday. I look forward to seeing many of you there!

Dr. C
