Principal's Pen

We finally had school on a Monday this month! After teachers' inservice on the 8th, the MLK holiday on the 15th and having survived two snow days last week, we are now anticipating a full week of school. Mr. Sam Prusak has done a great job coordinating spirit days, students have done a great job participating, and although the snow postponed a few events we appreciate everyone's flexibility in adjusting to schedule changes.

This is a good time to remind you that if you are not getting our schoolcast emails, please contact the office so we can verify your email address. This has been an unusually cold winter. Although in weather events, there are times, such as this last Friday, when Henry County elects to close for weather, but we may remain open. If you receive our schoolcast emails, you will stay informed and receive other school related announcements including our weekly newsletter.

Have an outstanding week as January is flying by.
