Principal's Pen

Congratulations to our JV boys for an exciting finish to the season. Their last game went into double overtime and the last play of the game was drawn up with 2.5 seconds left, resulting in a great layup opportunity that just felt short. Thanks to Coach Roye and Coach Knoedler for a great season. Congratulations also to the varsity girls team who went all the way to the championship game resulting in becoming the GCAA varsity girls state runner up. Thanks to Coach Starr and Coach Stokes for a great season. We will keep seeking for that state championship.

As we transition immediately to boys baseball and girls soccer, we are excited about the opportunities for our student athletes to enjoy some spring sports and looking forward to some fun games. This is the first year ever at BBCS for girls soccer and the response from our girls has been outstanding. We are looking forward to providing a foundation for future success.

Thank you for your support as fine arts preparations are continuing for our March 8 and March 9 state events. Enjoy your winter break and we will eagerly anticipate our students return on February 26.
