Principal's pen

Welcome to our second week of school. I was thrilled with the excellent spirit of teachers and students last week and am looking forward to a great school year.

Thanks for praying that our spiritual emphasis week will be both encouraging, enjoyable and challenging for our seventh through twelfth grade students. Our special speaker, Pastor Marc Knoedler, will be challenging our students in their Christian walk. He will also be speaking to our K-6 students on Wednesday.

This last Sunday at Bible Baptist Church, several teachers shared testimonies, and I was able to share our annual theme in the morning service. The theme is "Love One Another," based on John 13:35. "By this shall all men know that ye are my disciples, if ye have love one to another." We look forward to developing a stronger love for the Lord which will result in a more obvious love for each other.

Have an outstanding week.
