Principal's Pen

Welcome to week four of school and the last week of the month of August. With volleyball and soccer underway, preparation for Grandparents Day ongoing, and plenty of academic work being accomplished each day, school is certainly in full swing.

I know that some of our parents do have to work on Labor Day next Monday, but if you do have a holiday, I hope you enjoy the day as there is no school at BBCS that day.

If any of our parents have connections with companies or individuals who could build our covered walkway between the gym and school, either through your own business or through your contacts, please direct them our way. We would like to finalize the construction details, design and cost, and one of you might be the key to helping us with this.

Have a great week and we look forward to seeing our students grow in the Lord this week.
