Principal's pen

Dear Parents and Students,

The Lord gave us a great spiritual emphasis week with Pastor Marc Knoedler who shared practical teaching sessions based on principles from God's Word and helped out with afternoon fun times. Students were attentive, and it was a profitable week as they continued to attend classes and enjoy being together.

We also enjoyed a great annual tip off tournament and appreciate the great work Mr. Prusak did in preparing for the tournament and hosting the many schools which participated. Thanks to those of you who worked concessions, gate and other important responsibilities to make this another successful tournament. Congratulations goes to our girls for their successful participation and, after a rough start on day one of the tournament, for making it to the championship game and coming in second in the tournament.

As our third week of school continues, we look forward to seeing our students make academic progress as well as seeing many of them participate in our athletic and fine arts program.

Stay encouraged,

Dr. C

Teen Adventure Weekend:

Bible Baptist Youth Life has the opportunity to attend the Wilds Christian Camp Teen Adventure Weekend this November. BBCS 7th-12th grade students are all invited.

Best described...this is a week of camp jammed into a weekend!

When? November 2-4

Cost? \$99

Who? Any 7th-12th grade students

Why? This weekend will definitely be a lot of fun maybe even a blast...but the preaching of God's Word is an important time, breaking up the semester and giving us a refreshing time, physically and spiritually.

If you are interested in going, pick up a registration form from the front office, fill out the back portion of it and return to Pastor Starr (on his desk or in his box). Hope you can join us!
