

BBCS K4-12 COVID-19 Phase Plan

Bible Baptist Christian School is using the following plan to communicate K-12 operating procedures during COVID-19. No plan is entirely perfect, but rest assured that we are keeping the communication and feedback open from nearby organizations, and plan to safely and carefully adjust our policies to meet new concerns. We must proceed carefully to ensure we do not create a surge that will send us all back home. Because of that, K4 through 12th-grade will operate in four phases. We will only consider movement to the next phase if there is positive improvement/stability in the metrics for 14 days. There is a probability that our school will experience outbreaks of COVID-19 that will force us to revert to stronger phases of the plan.
