

BBCS K-12 ROADMAP TO RETURN

Bible Baptist Christian School is using the following plan to communicate K-12 operating procedures during COVID-19. The hard truth is that we will be living with COVID-19 until there is an effective vaccine for the virus. Living with COVID-19 means potentially returning to normal operations with COVID-19. We must proceed carefully to ensure we do not create a surge that will send us all back home. Because of that, kindergarten through grade 12 will operate in four phases. We will only consider movement to the next phase if there is positive improvement/stability in the metrics for 14 days. There is a probability that the School will experience continued outbreaks of COVID-19 that will force us to revert to earlier phases of the plan.
