Principal's Pen

We welcome any school families to our few days of *Family Matters Conference* Monday, Tuesday and Wednesday at 7 PM. We have asked teachers to issue no homework Monday through Wednesday so that students may attend the services and not be too stressed. Awana also continues Wednesday evening, and for students who do not have a church home on Wednesdays, you are always welcomed here. Next week though, due to teachers' conference, we will not have Awana club.

As many of you know, many schools have a fall break this week. We actually begin school a week later than these schools and the following week, we are closed for three days while our teachers are at a teachers' convention. It would be great to synthesize those two weeks, but we do not have any control over the week selected for our annual teachers' convention.

We thank the Lord for his protection from the recent storm and are praying for those schools which are still dealing with the storm and the aftermath. One of our larger AACCS schools, Wilmington Christian, had a tornado touch down after the storm and do serious damage to their gym. Our teachers' conference next Wednesday through Friday will be at Myrtle Beach, and it appears that they survived the storm OK.

I trust that this will be a great educational week for all our students.

We will do picture retakes and senior pictures the same day, Tuesday, September 25. For senior pictures, each senior will need to prepay \$25, payable to New Tech Photo. This fee includes the sitting fee, one free touch up proof of the student's choice, and 5 - 8 proofs. We will also take team volleyball and soccer pictures. If any student would like individual sports pictures, please see Mrs. Carter to get an envelope for a prepaid order (prepaid packages only).

Join us for our Golf Classic 2018 on October 8!

Our BBCS Annual Golf Classic Fundraiser is just around the corner! Every year, the proceeds of this fundraiser help support vital needs of Bible Baptist Christian School. This year, the money raised will go to support the CoverCare Project - allowing our students to safely cross from the educational building to the gymnasium under a covered walkway. This project will allow students and

visitors alike to enjoy our facilities while being safely protected from the elements. Your participation in our 2018 Golf Classic will help make this a reality! The event will take place at Crystal Lake Golf and Country Club. See Pastor Lee if you have any questions, or to register.
