Principal's Pen

Thanks so much to those of you who sponsored holes, golfed, or attempted to sign golfers up for our annual golf classic. The weather was significantly better this year than it was last year. Although we had fewer golfers this year (which affected the profitability of the event), we will work on recruiting more golfers next year for this fun way to help with important capital improvement projects like our covered walkway.

I am sure that everyone enjoyed the day off, and it appeared that our golfers enjoyed the day.

We are still trying to finalize bids for our covered walk; and it is not too late, if you know someone in that business, to refer them to us to help us decide on a vendor to build the covering for the walkway.

Just a reminder that our new entry sign will soon have a foundation. While that is being installed, we will continue for a few weeks without a sign. We are confident that the wait for the new sign will be well worth it as the digital sign will allow us to better communicate events.

This is an important week for both our volleyball and soccer teams as both prepare for the opportunity for post season play. Thanks for your prayers and support.

Dr. C

Important Calendar Events This Week:

- Oct. 9 Volleyball home against OSCS - Honoring SENIORS
