## **Principal's Pen**

Thank you so much for taking time to meet with teachers on Friday to talk about opportunities and challenges that students faced in the first quarter and strategies for success that students can achieve as they continue into the second quarter. If your schedule did not allow you to connect with teachers, please make sure you contact them this week.

We have eight high school students who are spending most of this week at a fall fine arts festival at Bob Jones University, focusing on preaching and music competition. Thank you for praying that they will have a successful week. We also have a group of high school students attending the Wild's Christian camp teen retreat this coming weekend. Pray that they will have a spiritually refreshing weekend as they grow together.

Basketball games will be part of our schedule soon and hopefully, whether or not you have a child participating, you will make time to attend a few games this season. We usually need folks to help with the gate and concessions; so if you are able to help, please let Mr. Prusak know, and he will put you to work for our home games.

Remember that this upcoming weekend, we "fall back" and gain an extra hour. Have a great week as we close out the month of October and transition into November.

Dr. C
