Principal's Pen

We have three weeks of school before Christmas. That means different things to teachers, students and parents, but I pray that these will truly be productive weeks for all of us before we enjoy the two week break that follows.

As we continue academic progress toward finishing first semester, next week will be focused on our annual Christmas program on Friday, December 14. I know you will not want to miss this event. The last week of school will focus on two things: our annual fine arts showcase to determine candidates for the spring GACS fine arts competition, and, of course, at the end of the week, our final exams for grades 7-12.

Thank you for your generous giving plans for our annual Christmas offering at the Christmas concert. This offering allows us to provide a Christmas bonus to our dedicated teachers. If everyone gives a little, we will be able to be an encouragement and blessing as we thank our teachers for their dedicated service.

Have a wonderful week.
