## Principal's Pen

Once again I was proud of our BBCS students as they competed on the junior high level on Thursday and on the senior high level on Friday. Our fine arts leaders do such a great job in preparing our students and many of them poured hours into practicing to excel on competition day. Thanks also to many parents who supported our young people.

The result is that, in addition to the many individual and group successes that our students experienced, we have forty-one students who will now be able to compete in the annual national AACS competition in Greenville, SC. With several weeks to refine and fine tune competition pieces, we look forward to that challenge.

Don't forget to take time this week to enroll for next year. Our second enrollment incentive deadline is this Friday, and it will save you money. If you have any challenges enrolling online, please connect with our helpful office personnel.

Have a great week,

Dr, C

### .SENIOR CLASS PLAY

The senior class of Bible Baptist Christian School in Hampton, Georgia, will present THE OLD "FAITH, HOPE, AND CHARITY" (A Comedy in Two Acts) by Pat Cook. *The Old "Faith, Hope, and Charity"* is a story of one old country doctor and resident curmudgeon Peter Farraday, who is faced with retirement and begins a search for his replacement. Surprisingly, the only interested candidate is Dr. Lorraine Marcus, a young physician fresh out of medical school and eager to be needed. When Farraday takes her on, there is a warm hearted grand collision of old ways and new ways. The plot twists with hilarious misunderstandings, an odd assortment of small-town patients, and two suitors for Lorraine. Join us for a delightful evening of wholesome laughter and a touch of sentimentality!

Admission is free (*donations welcome*) for the presentation of THE OLD "FAITH, HOPE, AND CHARITY," which will take place on Thursday, March 28, at 7:00 P.M., in the Bible Baptist Church auditorium.

**Pi Day:** Don't forget about Pi Day on Thursday! Students, please bring your favorite pie that is PRE-CUT to school on Thursday. HS students will store their pies in the kitchen, while elementary students can bring theirs to their classroom. If you are competing in the digit memorization contest, keep working hard! Please remember that each class must have a contestant...so work hard and represent your class well!
