Principal's Pen

Welcome to the first week of the 2020/21 school year. Whether your students are viewing online or attending in person, we are glad to have you as part of the BBCS family.

I want to thank parents for doing such a great job of making sure their children were well prepared for school. All have been so cooperative with temperature checks, wearing masks at the right time, and coming to school with a great attitude.

In the classrooms, students are doing a great job of wearing masks, washing their hands, and using hand sanitizer, as well as wearing masks in the hallways and all group settings. Also, our facilities personnel are daily doing enhanced cleaning and working tirelessly to maintain a safe learning environment. As time goes on, we are hoping that many of our families who are currently online, will be comfortable in returning to classes on campus.

Sunday, Bible Baptist Church will be featuring a special back to school morning service, introducing our teachers to the church and enjoying a few testimonies from our new teachers. Feel free to join us online on our facebook live service.

We look forward to a great spiritual emphasis week next week with our very own Pastor Starr speaking to our students both morning and afternoon, Monday through Thursday.

Thanks for your prayers, support, and encouragement; and we are praying for a safe, profitable and fun second week of school.

Dr. Mark S. Cronemeyer

Important Calendar Events Coming Up:

- 8/11 Volleyball home game against Rock Springs - MS 4:30 p.m.; V 5:30 p.m.
- 8/14 Alumni games - Soccer 5:00 p.m.; Volleyball 6:30 p.m.
- 8/18 Volleyball game home against St. George - MS 4:30 p.m.; 5:30 p.m.
- 8/19 Soccer home game against St. George - 5:00 p.m.

Before and After Care: This year we have started with fewer children in our before care (6:30 a.m. - 7:45 a.m.) and aftercare (3:30 p.m. to 6:00 p.m.) Are you interested in before or aftercare for your child(ren)? We want to be a help to our families, but if the need is not there this year, we may reduce our available hours. Please fill out the survey on the link below.

Spiritual Emphasis Week:

This week is Spiritual Emphasis Week! We are excited to have Pastor Andrew Starr as our guest speaker. If you want to listen online, messages Monday through Thursday will be livestreamed at 8:15 a.m. and 1:18 p.m.

Due to reduced numbers of students eligible and willing to play varsity soccer, we are sponsoring an intramural soccer program two days a week. The general idea is to allow our younger players from Grades 5 - 7 to play on Tuesday and Thursday from 3:40 p.m. - 4:20 p.m. and then to allow Grades 8 - 12 to play from 4:20 p.m.- 5:00 p.m., on the same days. Some of the older players will help train and coach the younger group as they play. This program will allow all of our players to advance, improve and enjoy soccer.

Once we know how many students want to play, we will determine how many weeks we will run the program. In addition, since we do not want to compete with girls volleyball opportunities which start at Grade 5, this opportunity will be for boys only.

Forms: Please return all school forms to the school office by Friday of this week. Thank you!
