Principal's Pen

The Lord gave us a great first week of school and thank you for your prayers, support and cooperation. This week, we would appreciate your prayers for our 7 - 12 grade spiritual emphasis week. Our speaker, Jeff Bush, will speak each day at 8:15 a.m. and 1:15 p.m. You are welcome to listen online, or watch the livestream on facebook, either live or archived.

Traffic flow in the morning is going OK, but would be improved if, when you arrive to drop off your family, you pull your car up all the way in the safety zone, so that the traffic flow does not back up while you are unloading your children. We have several people directing traffic, but if you would pull up all the way forward, traffic flow, especially in the last few minutes before school is actually starting, will be even quicker and safer for all.

Have an outstanding week.
