Principal's Pen

I hope you enjoyed our annual BBCS Christmas program! Special thanks goes to our fine arts faculty, our students, and our parents for working together to make the program a wonderful success. We also had great attendance and are so thankful for the kind offering given for our teachers. If you were not prepared to give or did not have a chance to do so at the program, it is not too late to come by the office to contribute and to help with this offering.

The focus of the week for our 7 - 12 grade students is exams with the overall schedule worked out to allow them adequate time to study. We know you will encourage your child(ren) to be diligent to complete the semester well.

For the Haven House project, we look forward to delivering the gifts to the House this week. Thank you for your generosity in giving gifts for those in need!

We are saddened that some students have become ill and are unable to attend school, especially this last week of the semester. We had the highest number of sick students on Monday and are praying for their recovery. As you know, due to sickness we found it best to cancel school for elementary today and to give further time for recovery. We will cancel school for K4 - 6 Wednesday as well. As we monitor progress, we will let you know what we will do for Thursday and Friday. Obviously if your child has a fever, don't plan on sending him to school until he is fever free without medicine for 24 hours. This will prevent the sickness from passing to other students. We are praying for healing for each sick student and parent and hoping you will feel well soon!

Since this is the last newsletter of the calendar year, 2019, and first semester, we do want to say thank you so much for your support and prayers. After the break, we will enjoy greeting our families back at school, on **TUESDAY, January 7, 2020.**

Merry Christmas and Happy New Year!!

Dr. Mark S. Cronemeyer
