

February 9, 2021 Principal's Pen

Next week this time, our families will be enjoying winter break, and faculty and students are eagerly anticipating this time. Before break, we anticipate continuing to make positive progress in fine arts, academics, and athletics as we finish basketball season.

Also this week before break, the students will enjoy Valentine's Day festivities on Friday. Elementary students will enjoy a fun Valentine's party sometime during the day, and high school students will enjoy the singing telegrams, candy, and balloons delivered by the senior class who have worked hard to make the day special.

Friday, our own Mrs. Lynn Borton will be married. We all want to wish her well and pray that the Lord will bless her richly. We will then call her Mrs. Lynn Gillis!

Once again we have arrived at that time of year when families are inquiring about and enrolling their students in our school for next year. Our new calendar is available, our tuition is set, and we look forward to re-enrollments being done over the next few weeks. If you have any questions, please feel free to reach out to our office.

Happy Valentine's Day to each of you!
