Principal's Pen

Welcome back from winter break! It is my prayer that the next six weeks before spring break will be a very profitable time for each student.

Thanks to all who participated in our basketball season. Our congratulations goes to all participants who achieved and improved skills this season. Our attention in athletics now turns to baseball for boys, soccer for girls, and golf for all. We anticipate improved weather so those outdoor sports can take place.

In fine arts, students are eagerly preparing for our junior high and senior high fine arts competition in March and looking forward to the possibility of becoming eligible for April's national competition event.

Finally, student re-enrollment has begun with minimal tuition increases and incentives for early enrollment. You will want to take a few moments to take care of this process through FACTS.

Stay encouraged and have a great week.
