Principal's Pen

Welcome to the month of February. This month, the basketball season will wrap up, winter break will be enjoyed, and spring sports will begin. Preparations for the GACS Fine Arts Competitions for junior high and senior high are in "high gear" this month as well.

Thanks to those of you who have filled out the homework survey. You can click on the following link and participate if you have not had a chance to share your thoughts on this survey.

The end of February and the month of March are also the months in which we re-enroll currently enrolled families, securing their place with us for next year. Because we have already had a number of new families interview who plan to join the BBCS family next year, we want to give our current families an opportunity to re-enroll early. I trust that the Lord will give you and your family a great week.

Stay encouraged.
