Principal's Pen

Welcome to our annual spirit week! We start the beginning of each year with a spiritual emphasis week, and we typically feature this week of second semester as a break in the sometimes colder month of January to provide a change of pace and a platform for our students to blend a little additional fun into their week. One thing we don't minimize is the busyness of the week. There is still a lot going on with two home games, activities during the day, spirit afternoon on Thursday after school, and Senior Night, Friday evening at our game.

Our handbell choir, having featured a wonderful full handbell concert at BBC Sunday evening, has plans to minister at a few other churches in the next month. Following their concert, Ethan Roye delivered a great message from God's Word. As I watched their performance, I was reminded that the true spirit of BBCS is teaching our students to minister and serve others. You can watch their performance by going to the following link.

Stay encouraged and have a great week.
