## Principal's Pen

I am happy to wish each parent and student a very Happy New Year. I trust that your Christmas break was enjoyable as well as refreshing and that by God's grace, the many who experienced flu or other sickness before and during the holiday are feeling better.

We begin the second half of the school year this week and look forward to seeing the Lord continue to grow each of our students academically, but most of all spiritually. Let's pray together that this will not just be a good semester, but that it will truly be a great semester of God's blessing in the many areas in which our students are involved.

Have a great 2020!

Dr. C
