

July 15, 2020 Principal's Pen

Dear Parents,

As we continue through times that are stressful moments in our lives, I hope that you are refreshed by the goodness of God and the fact that He is still in control of the universe and even the times in which we are living. I hope that you have continued to sense the joy and peace of the Lord as you rely upon him each day.

As our last newsletter expressed, we are continuing plans to open school on Monday, August 3. We will continue to tweak the details for our opening as we remain convinced that it is time to restart school for the benefit of our students. From entering the campus buildings to every facet of the day, we are continuing to fine tune our procedures to keep students and faculty as safe as possible. I recognize that no matter what precautions are taken, being together poses risks; and while we will work hard to mitigate those risks, there are some families who still have fears of attending school in person. We are looking seriously at options to assist those families.

Thanks so much for your ongoing prayers for each other and for BBCS. Stay encouraged and stay tuned next week for more specific school opening details.

Used Uniform Sale
July 20-22, 2020 from
9:00 a.m. to 4:00 p.m.

Parent/Teacher Orientation: Don't forget that the first day of the 2020/2021 school year is on Monday, August 3, at 8:15 a.m. Our annual parent/teacher orientation will be a virtual livestream on Thursday, July 30, at 7:00 p.m. Please plan to watch for important information.

Please pray for Grace, Mrs. Patti Starr's Mom, as she is facing a life threatening situation with seriously blocked arteries, fluid on her lungs, and a weakening condition. Please pray also that she will genuinely see her need for salvation.

Welcome

Miss Jessica Paschen

My name is Miss Jessica Paschen. I graduated from Bob Jones University in December 2019 with a degree in Early Childhood Education. I am passionate about educating young children and I love to see their excitement about life. I have godly parents who raised me to love the Lord, and two younger brothers. We have lived in Michigan my entire life, so needless to say, Georgia weather will be a blessing.

When I am not teaching I love to spend time going to the beach, hanging out with friends, spending time reading, finding crafts to start, and making music. I love anything pink, floral, or chocolate, and you can always find me shopping in Hobby Lobby or Belk. I am so excited for this school year, and I can not wait to get to know each one of you.

**Have you reserved your child's spot for 2020-21?
Re-enroll today!**
