## Principal's Pen

Congratulations to our K4 class who successfully finished their course of study this last Friday. I know students and parents are glad for the break. Congratulations also to our six K5 students, who, although unable to have a formal graduation as we usually do, were able to receive a diploma presentation individually at their homes.

Congratulations to our seniors, who, as of this Friday, will have completed their course. We are hosting a *family only* commencement program, but we encourage all of you, rather than attending, to view it on Facebook live, this Friday, at 7:30 p.m.

Since the seniors will not be having a reception, we encourage you to write them a note of encouragement as they enter their post-high school career. Bring your note or mail it to the office. We will pass it on to them.

Finally, I am proud of all our first through twelfth grade students who will endure to the end and finish well on Friday. You can make it! The Bible tells us that there is a sweetness in enduring to the end. Your character to not only finish, but finish well, will remain with you as a character quality for years to come.

Our 7 - 12 grade students have exams this week, so I want to encourage each of you to keep up the great work all the way to the end of this week.

Stay encouraged!

Dr. C

**Next week:** We encourage all our families to enjoy Memorial Day on Monday and pause to thank the Lord for those who sacrificed to give us the freedom we have in our country. Tuesday, our teachers will have their final wrap up session of the year; so the office will not be open. Please **do not come by this week to drop off and pick up items.** *Wednesday through Friday, May 27, 28 and 29*, will be the days for families to come to the lunchroom to drop off books, to drop off any electronic devices from BBCS, and to pick up your yearbook which will be available beginning Wednesday, May 27. We will be practicing social distancing protocols for those 6 - 12 grade students who will be removing everything from their lockers, and we will only allow a few students in the hall at a time. Students will have a ten minute opportunity to completely clean their lockers. To practice social distancing requirements, the following schedule will help us minimize the number of people in the lunch room and hallways during this time. The financial office will also be open to resolve any financial questions.
