## Principal's Pen

Welcome to May! After an unprecedented April, we are on the home stretch. Two weeks of school left for K4 and K5 (keep up the great work!) and three weeks left for grades 1 - 12 (thanks for your hard work!). We can do this together.

Online education has varied in appeal from family to family, but overall I want to thank you for the great job students, parents and teachers have done. This experience will be a part of your educational history. I want to encourage students to work hard and continue a disciplined daily routine as we continue in May. The finish line is in sight, but don't stop until you reach it.

Our seniors are on schedule with exams, and our 7-12 grade students' exam schedule is posted below. There is still time to catch up if you have fallen a little behind. We want to make sure that every student is best prepared for that next step, whether that be college or the next grade.

To ensure a positive finish to this school year, please stay in close contact with your teacher(s), especially if you are struggling with your academics. It is our desire to see all our students finish well.

Stay encouraged!  
Dr. C

# Elizabeth Hill

*Elizabeth has attended Bible Baptist since kindergarten. While here, she has participated in fine arts and sports. Her favorite Bible verses are Romans*

*8:37 and 1 Corinthians 1:27. She enjoys hiking with her family, reading books, and creating art. She is active in her church and serves as the church pianist. She plans to attend PCC in the fall and wants to use her writing talents to further the Kingdom of God.*

# Delaney Joy Nething

*A note from Delaney's mom: Delaney Joy Nething is working hard to complete her senior year in spite of obstacles and unexpected circumstances. She is turning these circumstances into opportunities to*

*serve God. Delaney has enjoyed volleyball and basketball over the last few years and took on the role of goal keeper for the soccer team her senior year, not knowing the season would be cut short. She did an awesome job with her teammates' support and the entire team earned their first victory!!! Delaney has enjoyed encouraging friends in the things of God and sharing requests and praying for her friends and family. What a blessing and joy it has been to see her grow up into a godly Christian young lady. I see the potential for much more growth and service for God in her future in college and beyond!! Amazing girl that I am privileged to call my youngest child! You have made your daddy, Matt Nething, and me proud!*
