

May 8, 2018

May 7-16	Senior Trip
May 10	Out of Uniform Day
May 11	Elementary Field Day (don't forget sunscreen!)

Principal's Pen

Thanks to our students and faculty who presented a wonderful spring program. I personally enjoyed the variety of speech and musical presentations and thank the Lord that, not only do we have talent, our students are working hard to develop those talents for lifetime use. We had so many great numbers that we really could have done two separate programs, but the reason we do not do so is that the month of May is filled with so many other events.

Thanks also to all of our families for making teacher appreciation week so very special with a great breakfast, wonderful lunch all coordinated by PIE (parents in education) led by Mrs. Joy Knight. All of our faculty members appreciate your generosity and thoughtful personal touches to make the week special.

Thanks also for considering the possibility of opening your home to a foreign exchange student for next school year. We have a student, "Tom," who is excited about coming to BBCS and needs a host home. Please contact me if you feel you could add another member to your family for next school year. There is a stipend each month that helps with expenses.

Thanks lastly for praying for our seniors as they enjoy the week at the Wild's and then travel on to Washington DC for an enjoyable educational experience.

Have a great week.

Dr. C

Box Tops Collected Now

Send your Box Tops in by this Friday, May 11th! Be sure to ask your friends and family if they have any last ones for you to submit this school year. Looking for the elementary class with the highest average and each high school student who turns in 50!

Thank you!

Thanks once again to everyone who donated money, time, and/or a breakfast item last week for Teacher & Staff Appreciation. The week was an encouragement to everyone and would not have been possible without you!

K4-6th Grade Field Day this Friday, May 11th

Students will start the day around 9:30 am with field games and go into the afternoon with several fun activities including hayrides, snowcones, and inflatables. Considering that we are outside for most of the day, please have your child put on sunscreen before coming to school Friday.

A pizza lunch will be provided to the elementary students, and parents who attend the activities are welcome to join the students for lunch. There will be a \$3 charge for parents to order a lunch. For planning purposes, if parents plan to order the Field Day lunch please notify the school office and send in \$3 by Wednesday, May 9th.

Dress Code: Students please wear class spirit shirts and dark colored knee length shorts with tennis shoes and socks. (Dark colors requested because students will be getting wet on the inflatable slides.) A towel will come in handy for after the slides. Don't forget the sunscreen.

Don't miss the 10% Early Bird Special. It is a great time to take advantage of a good deal. Parents can even buy the uniforms, leave tags on it and exchange at beginning of year if needed if their kids grow.
