Principal's Pen

We had our first basketball games this last week, and we appreciate the many students who are participating as well as the coaches who are investing time almost every day in coaching and mentoring these student athletes. Check out our schedule on the google calendar and come watch some games as your time allows.

A number of our juniors and seniors were able to work a full day at the polls on Election Day not only to earn money for their classes but also to observe and learn more about the election facet of our government. I know that there has been much discussion about the recent election; and as we educate our future leaders here, we are reminded that living life with a biblical worldview is essential in order to develop godly young people. We thank the Lord for each of our students and what God is doing in their lives each day, academically as well as spiritually.

This is our second and last week of collecting dollar store items to send to needy children of all ages on the small island of Chuuk. We surely appreciate your contributions to a great cause. Ordinarily, we would allow more time for this collection, but in order for these items to get to the island in time for Christmas, there is urgency.

We will be very careful, but we are still planning to enjoy our annual Thanksgiving Feast with masked, serving staff before we enter the week long Thanksgiving break. Although there will be fewer serving staff, we will still need some food donations and will appreciate your response to that need in the next few weeks.

Our covered walkway project is almost finished, but special thanks goes to our board member Mr. Randy Starr for strategically adding lights under the canopy to help finish off the project.

Our next project, initiated by our annual golf tournament and to be continued in our forty year celebration in January, will be a new fifteen passenger van for BBCS.

Stay encouraged, keep praying and working hard, and have the best of weeks.

Be a part of our BBCS Christmas Gift-Giving Project for children (babies to teens) in Chuuk!

BBCS families will be bringing dollar store items for the Chuukese children. Bring your \$1 store items to the school anytime from now until this Friday, November 13. (\$1 store items only as they want all gifts equal in value). Our

deadline must be early to ensure that the presents are received on this remote island in time for Christmas. These are the only presents they will be receiving this year. Together, we can make this a memorable Christmas for these young people!
