Principal's Pen

We anticipate some cold weather this week; so enjoy thinking about how warm our summer was this year.

We have a lot of activities going on before our Thanksgiving break. Our varsity basketball team will be playing its first games of the season in Buford on Thursday, Friday, and Saturday in Old Suwanee Christian School's tipoff tournament.

A few other events of interest are our honor society induction event next Wednesday morning (a different time than past years), our Thanksgiving Feast the Friday before Thanksgiving, and our senior class play *The Importance of Being Earnest* that same evening as well as on Saturday. The senior class invites everyone to come and see the play!

We had a few students out last week with sickness. Whether it was the flu or a stomach virus, it is hard to determine, but we will continue to work hard here to keep sickness from spreading. You also can help in this regard by keeping home any child who is ill, allowing the child to rest and recover. Following this guideline will keep as many students healthy as possible.

One important calendar change should be noted. Originally November 22 was a full day of school, but after discussing it further, we have decided to finish school on Friday, November 22, right after the Thanksgiving Feast. Thanks for adjusting to this schedule change.

Stay encouraged,

Dr. C
