Principal's Pen

I trust and pray that you are having a wonderful week. As you reflect on God's blessings, may your time of Thanksgiving not just be a holiday but be a representation of your joyous appreciation for God's great goodness in meeting all of our current needs and, most importantly, in providing us the great gift of eternal salvation.

When school resumes next Monday, the three weeks before Christmas break will be packed with joyful activities, one of which is our Haven House collection project. This week would be a great opportunity to pick up a small gift for our Haven House collection project.

Enjoy your Thanksgiving celebration and stay encouraged.

Haven House Christmas Project - In recent years we have tried to have a school project that would allow us to be a blessing to our community. From food drives, to selecting families for whom we would provide Christmas gifts, our goal has been to give to others a little of what God has given to us. Although many of you have similar areas of giving through your church or home, we wanted to facilitate another project to allow our school to bless others.

This year, Bible Baptist Christian School would like to support a Christmas Project for the “Haven House.” **Haven House is a domestic violence shelter and program serving victims of family violence in Henry, Jasper, Butts and Lamar Counties.** We will be placing a 60 inch stocking in each classroom and collecting toys and gifts for children and teens. In addition, the Haven House could also use diapers, toilet paper and personal care items. Please do not wrap the gifts. The Haven House must see all that is given to the families. Please pray about what the Lord might have you give for these special families. We will close this project on December 12. Items can be brought into the student’s homeroom where each class will work to “fill the stocking.”

Remember to turn in barbecue money or UNSOLD tickets by Monday, December 2.
