

October 1, 2019

Principal's Pen

I hope that each of our students found the break last week refreshing. Although it was not vacation time for most of our teachers, the teachers' convention workshops and general sessions last Wednesday through Friday were beneficial to our faculty members. Also, we are grateful for our safe travel.

As we enter October, we will enjoy our annual golf tournament classic on Monday, October 14, and I trust that in some way you will support this event. This annual event generated the funds for air conditioning in the gym and currently is slated to help with our "covered care" project to connect the school and gym with a covered walkway.

In addition, October brings us to the end of the first quarter of the school year and the close of volleyball and soccer seasons. Now we are in heightened preparation for our senior play at the end of November, preparations and continued rehearsals for our annual Christmas concert, and ongoing fine arts competition preparations.

Stay encouraged and thanks for your support for your students as they continue to grow in wisdom and knowledge from a biblical worldview.
