Principal's Pen

We are so grateful to those of you who donated items or supported in any way to make our annual golf tournament a success. As always, Pastor Starr did a great job organizing the event, and we hope that all had fun participating in the event. The weather was great! If you missed an opportunity to help, you can still donate a tax-deductible monetary gift. As we look forward to next year's golf tournament, let's all plan to invite potential golfers to next year's event.

Although class organizations host regular small fundraisers, we try to promote only one or two school-wide events each year which allow us capital improvements to our facilities, such as the installation of air conditioning to our gym or, most recently, the continued progress on the covered walkway between the gym and the school or most recently the funds for our covered walkway between the gym and the school. Our next objective is the challenge to purchase a travel van for athletic and fine arts events. Together we can achieve this goal.

Congratulations goes to the middle school volleyball team for coming in second place in the volleyball tournament! We also congratulate our very young varsity volleyball team for ending the season in a hard fought game last Thursday. Ending this week is our intramural soccer opportunity. We now turn our athletic attention to basketball season which begins in a few days.

Virtual parent teacher conferences this year should allow even greater parent participation. I encourage you to read the information being sent to you, to sign up using "Sign-up Genius," and to spend a few minutes with your child's teacher(s) to best collaborate on how to allow your child to have the best possible educational experience.

We are looking forward to an outstanding second quarter of the BBCS school year and value your prayers as we work together to make it as productive as possible.

The Lord has been so good to us in allowing us a productive first quarter, and we look forward to building on that foundation. Several former students who had not enrolled at the beginning of the year are returning, and we welcome them. As you have opportunity, continue reaching out to potential students who could benefit from our program.

Stay encouraged!
