Principal's Pen

Welcome to a transitional week in October! Our virtual parent/teacher conferences are this Friday (which means a half day of school for students); intramural soccer and volleyball seasons have ended; basketball conditioning for boys basketball began yesterday and will resume on Thursday; and girls basketball will begin next Monday. Also, our cheerleaders have begun practicing cheers for up-coming games, and rehearsals have begun for our annual Christmas program.

Along with all the fine arts and athletic activities, student studies for second quarter are well underway, and our tenth and twelfth graders have taken the PSAT and SAT tests (last Wednesday).

Recently, we enrolled a few new students. As we continue to grow, please continue to be alert for like minded families who would benefit from the BBCS program and let them know our contact information.

Enjoy the seasonably cooler weather this week and have a wonderful week.
