## Principal's Pen

Thanks so much for the collaborative effort of our Parents In Education, teachers, and students led by Miss Amber Davis in putting together a fun "Wild West Family Fun" night in the gym. In spite of the rain, it was a fun night, and we look forward to doing a similar event in the future. It made me happy to see so many of our students and their friends enjoying such a great evening together.

Thanks also to the many parents who carved out time from busy schedules to spend time chatting with teachers in our annual first quarter parent teacher conferences. It was great to get a chance to exchange ideas on how we can best help our students to reach their potential both academically and spiritually.

As we enter this last week of October, don't forget that this upcoming weekend is the time to "fall" back in time, resulting in it getting dark earlier, but also allowing you another hour of sleep on Sunday, November 3.

We welcomed five new students to our BBCS family in the last few days, and we look forward to a great second quarter.

Stay encouraged,

Dr. C
