September 10, 2019

Principal's Pen

We are grateful for God's protection for many friends and family along the East Coast who went through the recent hurricane, and we are reminded how dependent we all are on God's grace and how much we as humans still cannot control.

We had a great Grandparent's Day on Monday and look forward to all the other events of the upcoming week and month. I want to extend a special thanks to Mrs. Peggy Carrol and Mrs. Heather Henry for putting together a great program with only a few weeks to prepare.

Thanks for your faithful prayers for our teachers, students and their families as we continue to work together to see our students grow in wisdom and knowledge.

Don't forget that there are ways that you can help our upcoming golf tournament to be successful. To help with the event, you do not have to be a golfer to recruit a golfer. We would love to complete the fundraising for our covered walkway between the school and gym. We have very few school wide fundraising efforts throughout the year; so come and be a part of this endeavor! Brochures are available at the school office.

Have a great week.

Dr. C
