Principal's Pen

Sunday, I was informed that a nine year old student at Trinity Christian in Sharpsburg, GA passed away. We will be praying for this family as they grieve this sad loss. It reminded me of the important mission that we have here at Bible Baptist to not only sharpen our students' academic development but to couple that with education from a Christian worldview, preparing our students, not only for college and their careers, but also for eternity. There is no more important mission than making sure that our students know and love God. We strive to achieve this through Bible classes and weekly chapel opportunities, but most significantly through integrating biblical truth in every class we teach. I am often reminded of the verse in Mark which poses the question, "What shall it profit a man if he gain the whole world and lose his own soul?" I trust that all of us will be aware of the fact that we are surrounded by many people who do not know the Lord and trust that we will be motivated to take the opportunity to share Christ's love with others this week.

We typically start school a few days later than some schools, so instead of a full fall break, we take three for teacher's convention. We pray that your break will be wonderful and that our teachers will be challenged, instructed, and encouraged in their workshops at the end of this week. We look forward to seeing all our BBCS family back at school on Monday, October 30!

Stay encouraged,
Dr. C
