Principal's Pen

I hope you enjoyed every minute of your three day break. The teachers who attended the online educational seminars on Friday benefited greatly from a wealth of information all designed to sharpen their educational abilities. I am thankful for the great teachers the Lord has given us and their commitment to ongoing education.

Wednesday of last week, we were able to start the process of planning out our covered walkway and once we get the concrete repoured for the longest stretch of the walkway, we will be able to assemble it and students will benefit from this long awaited and needed project completion. Stay tuned as we may ask a few of you to help with the final assembly.

This week, as we enter the month of October, we are reminded of the fact that the first quarter of school will be complete on October 6. We again pause and thank the Lord for his continued grace this quarter. We look forward to great things in the second quarter. Thank you for your continued vigilance in prayer and care to ensure that this is as safe an environment as possible.

Please be in prayer for the Nathan Dorsey family. The son Michael Dorsey graduated from BBCS in 2015. Just a few days ago, the wife and mother, Sara Dorsey, passed away. Our prayers and love are extended to them, and I know they would appreciate the BBCS family remembering them in prayer at this difficult time.

Looking forward to a great week of school!

We are so thankful for our faculty and staff! Several of you have asked for information about the teachers that will help you to wish them a special day. During each month, we will be highlighting those who have a birthday and will list a couple of their favorite things. If you would like a more detailed list, please see Mrs. Lee. Thank you for being a blessing to our faculty and staff!
